Franklin Square has been awarded a \$3000 grant from Parks and People to install a partial irrigation system at Sunflower Village. We will need to match the grant with approximately \$1500 in order to perform the work. The catch is that we need to

show the matching money in order to get the grant. We will discuss how to raise the funds at our meeting this month.

Splash and Dash

Be sure to support SafeAlternative.org as they continue to put on great events in the neighborhood. We will close out summer with one more Splash and Dash on August 24th.

Lowes Volunteer Day

On September 16, Lowes will be partnering with the Department of Recreation and Parks to bring a large number of volunteers to the Vincent Street Park and help us get started on the revitalization of the park and recreation facilities.

Southwest Partnership Master Plan

Remember to check in and comment on the Master Plan if you haven't already. It's on display at the corner of Hollins and Carrollton and online at:
