Hello Franklin Square

VOLUME 1, ISSUE 2

NOVEMBER 2010

Vacant lot project on Carey Street

The Franklin Square Community Association adopted the lots on Carey Street across from St Lukes Church. We are in the

process of designing what will be done with them. We have several options floating right now. It could be a park, a garden, a farm, a basketball court, a dog park, a playground...What do you want it to be?

Civic Works, a Baltimore nonprofit experienced in vacant lot design and construction, will join us at the November meeting to help us with our design. Do you want to be involved? Come to the meeting!

Streetscape Committee

Our Neighbors to the south have formed a group called the Street Scape Committee. They will hold monthly cleanups. Let's support them by pitching in once in while.
